

Ticket #606709

Cass Lilac posted 2/21/26 11:49 AM

Hello,

Thank you for reporting this activity.

We noticed the suspicious login alert and are currently reviewing the account for any unusual access. As a precaution, please reset your password immediately and avoid reusing previous passwords.

We also recommend enabling Multi-Factor Authentication (MFA) if it is not already active.

If you did not attempt the login, kindly confirm your current location and the device you are using so we can continue our investigation.

Regards,

IT Support Team
